

New Wen-Parker Logistics Indian Head Office

Elmont, NY- Wen-Parker Logistics (WPL), a global freight forwarder and supply chain solutions leader, is very excited to announce the opening of their new Indian head office in Gurgaon. This is the 2nd major headquarters shift for the Elmont-based company who recently opened their new expanded US headquarters in Elmont, New York back in June.

The Gurgaon area is the main center of major economic and infrastructure growth in India as it currently has 250 established offices for Fortune 500 companies within its boundaries. The new location is located only 9 kilometers (5 ½ miles) away from the airport & cargo terminal.

“With the WPL brand name growing exponentially in the last few years, it was imperative that we relocate to a larger facility where we can continue to service our current business partners while continuing to attract newer ones that are not familiar with our suite of logistics services,” states Vikas Khullar, Managing Director for the South East Region.

Wen-Parker Logistics provides a comprehensive menu of international logistics services including air and ocean freight forwarding and consolidation, customs brokerage, purchase order management, warehousing and distribution and eBusiness.
